MAY 2020

Community feedback is important to help us refine our preferred option/s and to check we haven't missed anything important.

Once you've read the attached project information sheet and map showing the preferred option/s, please tell us what you think by either:

- filling in the attached feedback form and posting it back to us using the prepaid envelope enclosed, OR
- visiting our website. From there you will be able to view the options and submit an electronic feedback form.

Send us your feedback by Friday 12 June 2020.

Pukekohe Expressway and connections to State Highway 22

We are looking for your feedback on connections in this area.

The proposed connections will provide options for people who live in areas such as Clarks Beach and Kingseat to gain access to the State Highway network in an efficient way via the Pukekohe Expressway. Providing easy access to the Pukekohe Expressway enables the downgrading of SH22 and the urbanisation of Drury around the road.

Do you think there should be additional connections? Y N
