

Drury West train station

February 2021

New train stations for Drury and Paerata

New train stations, park and ride facilities as well as bus connections for Drury and Paerata will make it easier for residents to travel by public transport.

We're looking for your thoughts on the facilities we're proposing for Drury West station.

Your feedback and local knowledge, along with our technical investigations, will give us more information to help develop the station design in more detail.

How to have your say

For more detailed information about Drury West station, please read the 'New train stations for Drury and Paerata' information sheet.

It can also be found at supportinggrowth.govt.nz/have-your-say/south

There are three ways you can submit your feedback:

1. Place your completed form in an envelope and sending it to this freepost address:

Te Tupu Ngātahi Supporting Growth

PO Box 105218

Auckland 1143

Freepost Authority Number 100721

2. Scan your completed form and email it to info@supportinggrowth.nz
3. Online at supportinggrowth.govt.nz/have-your-say/south

Send us your feedback by **Friday 26 March 2021**.

Tell us what you think

1. How important is the new Drury West station to you?

- Very unimportant Unimportant Neutral Important Very Important Unsure

2. Would you use the new Drury West station in the future?

- Would not use May not use Neutral May use Would use Unsure

3. Where would you like to get to by train / rail?

4. We're proposing the station facilities are located between SH22 / Karaka Road and the existing rail line, to the immediate north of the proposed station platforms. In the future, a new accessway extending south from the Jesmond Road / SH22 intersection will give access to park and ride and pick-up and drop-off facilities, a bus interchange and bicycle parking. What do you think of the location of these proposed facilities?

- Very poor Poor Neutral Good Very good Unsure

5. What do you think of the proposed facilities for Drury West station?

- Very poor Poor Neutral Good Very good Unsure

6. What would make it easier to get to the new station?

7. Overall, what is good about the new Drury West station?

8. Overall, what improvements could be made to this new station, or what else should we consider?
